Personas

Office Professionals

Professionals working in corporate environments, such as managers, executives, and team leaders use whiteboards to organize tasks, plan projects, conduct meetings, present ideas, and collaborate with their teams.

Educators

Teachers, professors, trainers, and educators at all levels of education use whiteboards to deliver lectures, explain concepts, illustrate diagrams, and engage students in interactive learning. These users value the smooth drywipe surface that allows for easy writing and erasing during fast-paced teaching sessions.

Entrepreneurs/Small Business Owners

Individuals who run their own businesses or startups use whiteboards to brainstorm ideas, plan strategies, track progress, and collaborate with their teams and partners.

Creative Thinkers

Designers, artists, writers, and other creative professionals use whiteboards as canvas to sketch ideas, mind map concepts, and visually explore their creativity. They value the smooth writing experience and easy erasing, allowing them to experiment and iterate with their thoughts freely.

Home Office Users

Individuals who work from home or have a home office setup use whiteboards for organizing personal tasks, planning schedules, setting goals, and jotting down reminders.

Customer service and support

Our customer service and support team is always ready and available to provide prompt assistance, expert guidance, and effective solutions to address any customer inquiries or concerns.

Customer feedback

"Magnetic whiteboard with an easy cleaning surface. I followed the instructions given and bought some cleaning fluid and used it before the first use. And I have to say that I have not had problems erasing at any time (it is erased without a trace and the slate magnets stick hard (a small magnet can stick a sheet without problems))."

Benefits

Versatility: The whiteboard serves as a versatile communication platform, allowing users to write, draw, and illustrate ideas with ease. It enables clear and concise visual communication, making it effective for presenting concepts, explaining complex topics, and brainstorming.

Enhanced Collaboration: Promotes collaboration among team members, enabling them to brainstorm, plan projects, and work together more efficiently.

Effective Communication: Facilitates clear and visual communication, allowing for the easy sharing of ideas, concepts, and information.

Organization and Productivity: Provides a dedicated space for organizing thoughts, creating to-do lists, and visualizing information, enhancing productivity and task management.

Durable and Long-lasting: The aluminum frame adds sturdiness and durability to the whiteboard, ensuring it withstands regular use and maintains its quality over time. This makes it a cost-effective investment for both personal and professional use.

Additional information

Clean and Maintenance: The drywipe surface is characterized by its ease of cleaning using a microfiber cloth, an eraser or a suitable whiteboard spray. In addition, its resistant surface ensures that no writing residue remains, even after prolonged use.

Ergonomic usage: Whiteboards should be installed at a height that allows users to write comfortably without straining or stretching. Typically, they should be positioned at eye level for most users. The product features an adjustable marker tray, so that the user can place the accessories close to them, avoiding unnecessary movements.

Product Packaging Circularity: All product packaging components used are made from single homogeneous materials which allow them to be recycled to make new packaging components and therefore the recyclability of the packaging is approximately 100%.
