

Loop Magnetic Whiteboard

A perfect blend of functionality, sustainability, and team collaboration

Description

Designed to enhance creative and productive workflows, the **Loop Magnetic Whiteboard** stands out in the modern workspace with its magnetic lacquered steel surface and frameless design, offering a superior user experience.

The **frameless design allows multiple panels to be connected side by side** without any interruptions, creating a limitless canvas for brainstorming, project mapping, and dynamic presentations.

The choice of materials and the **product's rollable shipping design** for larger sizes **reflects our dedication to reducing both ecological impact and transportation costs.**

The Loop Whiteboard eradicates boundaries to creativity with its expansive, continuous writing space.

Features

High-quality magnetic lacquered steel surface, ideal for moderate use

Frameless design allows for boards to be assembled side to side with no frame

Create an extra-large brainstorm wall thanks to this seamless surface

Shipped in a roll to reduce environmental impact and transport costs

Repositionable wooden tray and mounting kit included

Loop Magnetic Whiteboard

A perfect blend of functionality, sustainability, and team collaboration

Integration and compatibility

Compatible with all drywipe markers and magnets.

Personas

Office Professionals

Professionals working in corporate environments, such as managers, executives, and team leaders use whiteboards to organize tasks, plan projects, conduct meetings, present ideas, and collaborate with their teams. Co-working Space who use shared office spaces, may benefit from modular whiteboards for collaboration.

Educators

Teachers, professors, trainers, and educators at all levels of education use whiteboards to deliver lectures, explain concepts, illustrate diagrams, and engage students in interactive learning. These users value the smooth drywipe surface that allows for easy writing and erasing during fast-paced teaching sessions.

Entrepreneurs/Small Business Owners

Individuals who run their own businesses or startups use whiteboards to brainstorm ideas, plan strategies, track progress, and collaborate with their teams and partners.

Creative Thinkers

Designers, artists, writers, and other creative professionals use whiteboards as canvas to sketch ideas, mind map concepts, and visually explore their creativity. They value the smooth writing experience and easy erasing, allowing them to experiment and iterate with their thoughts freely.

Facilities and Operations Managers

Professionals responsible for equipping office spaces and ensuring that they are eco-friendly and cost-effective, use modular boards to equip their spaces.

Customer service and support

Our customer service and support team is always ready and available to provide prompt assistance, expert guidance, and effective solutions to address any customer inquiries or concerns.

Customer feedback

"Absolutely love this whiteboard! Its rollable design helped me pay a lot less transport costs, and I still have the big-sized board I require for my team's daily brainstorm sessions."

Jana Smith

Loop Magnetic Whiteboard

A perfect blend of functionality, sustainability, and team collaboration

Benefits

Cost Savings: Reduced transportation costs, lead to lower overall product costs, making it more affordable for customers. This is particularly appealing to budget-conscious buyers.

Eco-Friendly: The product's focus on reducing environmental impact by shipping in parts and using sustainable materials aligns with the values of environmentally conscious consumers and organizations.

Ease of Assembly: The product design and fixing system allows for an easy assembly by the users, eliminating the need for specialized tools or complex instructions.

Versatility: The whiteboard serves as a versatile communication platform, allowing users to write, draw, and illustrate ideas with ease. It enables clear and concise visual communication, making it effective for presenting concepts, explaining complex topics, and brainstorming.

Enhanced Collaboration: Promotes collaboration among team members, enabling them to brainstorm, plan projects, and work together more efficiently.

Availability and shipping

Product available;
Lead Time: 3 weeks

Additional information

The drywipe surface is characterized by its ease of cleaning using a microfiber cloth, an eraser or a suitable whiteboard spray. In addition, its resistant surface ensures that no writing residue remains, even after prolonged use.
