Earth New Basic Magnetic Colour Board

Colour your workspace with sustainable functionality

Description

The Earth New Basic Magnetic Colour Board is part of our eco-friendly line, reflecting our commitment to sustainability. With PEFC certified wood derived materials inspired by natural earth tones, this board combines functionality with minimalist design, complementing any decor. Its dry-wipe lacquered steel surface is durable for frequent use with a 10-year lifespan, allowing you to write, draw, erase, and use magnets to display information. Easy to install, it comes with a hidden mounting system for a clean look.

Moreover, the coloured magnetic surface enhances spaces with a modern, cosy touch. Its tone aligns with current colour trends, creating a welcoming and harmonious environment, perfect for both personal and professional settings.

Features

Combine usefulness with a minimalist design that will look good with every decoration style. Very effective and versatile solution to organise notes, display information and images. Colour surface adds warmth, style, and comfort, aligning with modern trends. Top-quality dry-wipe lacquered steel surface, ideal for frequent use (10-year warranty). PEFC certified wood derived materials. Easy installation with wall mounting kit included.

Integration and compatibility

Compatible with all drywipe markers, whiteboard erasers and magnets

Personas

Designers and Architects

These professionals need a stylish and functional board to sketch ideas, plan projects, or present concepts. The Earth New Basic Magnetic Colour Board's coloured surface adds warmth and creativity to workspaces, while the magnetic feature helps keep inspiration and references in sight.

Home Office Users & Remote Workers

Those working from home seek an aesthetically pleasing and practical solution to stay organized. The board's minimalist design blends with modern home decor while providing a reliable space for task lists, reminders, or brainstorming sessions.

Educators & Trainers

Teachers and trainers require a durable and engaging surface for lessons and presentations. The dry-wipe lacquered steel surface ensures smooth writing and easy cleaning, making it perfect for frequent use in classrooms or training sessions.

Business Professionals & Teams

Whether in an office, coworking space, or meeting room, professionals benefit from an efficient tool for collaboration. The magnetic feature allows for quick visualization of ideas, project updates, and strategy planning, enhancing productivity.

Creative Individuals & Artists

Those in creative fields appreciate the board's warm, inviting colour and magnetic functionality, which allow them to display sketches, mood boards, and inspirations while maintaining a cohesive and stylish workspace.

Customer service and support

Our customer service and support team is always ready and available to provide prompt assistance, expert guidance, and effective solutions to address any customer inquiries or concerns.

Earth New Basic Magnetic Colour Board

Colour your workspace with sustainable functionality

Benefits

Eco-Friendly & Sustainable: Made with PEFC certified wood derived materials, this board supports responsible forest management while bringing a touch of nature to your space.

Modern Aesthetic & Warmth: The coloured magnetic surface aligns with contemporary decor trends, adding a sophisticated yet cosy feel to any environment.

Highly Functional & Versatile: The magnetic and dry-wipe surface allows for easy writing, erasing, and displaying notes, images, or documents - ideal for work, learning, or creative expression.

Durable & Long-Lasting: The premium lacquered steel surface is designed for frequent use, ensuring smooth writing and effortless cleaning for up to 10 years.

Easy & Seamless Installation: The hidden wall-mounting system provides a clean, sleek appearance, making it simple to integrate into any space.

Low Maintenance & Easy to Clean: The high-quality dry-wipe lacquered steel surface prevents ghosting and stains, ensuring a consistently smooth writing experience with minimal effort. Perfect for frequent use in busy workspaces.

Additional information

Clean and Maintenance: The drywipe surface is characterized by its ease of cleaning using a microfiber cloth, an eraser or a suitable writing board spray. In addition, its resistant surface ensures that no writing residue remains, even after prolonged use.

Product Packaging Circularity: All product packaging components used are made from single homogeneous materials which allow them to be recycled to make new packaging components and therefore the recyclability of the packaging is approximately 100%. Additionally, the recycled total content of all the packaging components by weight is about 80 %.
