- Horizontal or vertical wall mount with screws that go through the holes in the plastic corners
- Supplied with the necessary instructions and installation kit

PRODUCT IMAGE:**MARKETING COPY:**

The Bi-office New Generation A9 Poster Display Document Holder is perfect for displaying a wide range of items. From art and photos to company certificates or health and safety signs, important documents can be stylishly displayed in hotel corridors, office meeting rooms, conference centres, etc. Your poster or document is sandwiched between a transparent plastic cover and a magnetic panel. The plastic cover protects from hampering and dust while enabling a clear view of the content. Plus, due to the magnetic document holder it's too easy to access and update information. To change it, simply pull the plastic cover by detaching the magnet tape and slide in your prints. Horizontal or vertical wall mount with screws that go through the holes in the plastic corners. Supplied with the necessary instructions and installation kit, is very easy to wall mount.

TARGET MARKET:

CHANNEL: Industrial Sector, Office products wholesalers, office products stores, other retailers and building contractors

END USERS: Industrial Companies, public buildings, public store buildings and private and public buildings in general

PROMOTIONAL TIPS:

No specific timing, thus we recommend the occasional promotion like product and offering of cleaning kits or markers
