

Bi-Office

Eco Frameless Cork Board with Black EVA

Shape any space sustainably with our versatile, eco-friendly cork board

Description

Simple yet beautiful and powerful, the **Eco Frameless Cork Board** offers a **sustainable and eco-friendly solution** as a notice board. Perfect for small offices and home living spaces, it's very **easy to combine with other sizes** or even other boards to create a gallery wall.

The **cork's neutral colour** and natural appearance ensure a harmonious fit across diverse spaces and décor styles. This board not only holds messages or photos with ease but also stands out with its **unique EVA inclusions**.

Its **double-sided** design increases the usable surface area for the included pushpins.

Plus, the **cork used in this board is PEFC-certified**, ensuring responsible and sustainable forest management.

Easy to set up thanks to the **convenient fixing tape system**.

Eco Frameless Cork Board with Black EVA

Personas

Home Organiser

For individuals who take pride in organising their living spaces, the Eco Frameless Cork Board with Black EVA is a must-have. Its sleek, frameless design integrates perfectly into minimalist or modern home décor styles. Whether it's used to pin up family schedules, grocery lists, or inspirational photos, this eco-friendly cork board promotes sustainability while adding functionality to any home. The double-sided surface ensures there's always enough space for their ideas and plans.

Eco-Conscious Office Manager

This cork board is an excellent choice for office managers committed to sustainability and modern design. The PEFC-certified cork aligns with their company's green initiatives, and its neutral aesthetics make it a stylish addition to open office layouts or private meeting rooms. It serves as a tool for team announcements, project brainstorming, and pinning important deadlines, boosting collaboration and productivity.

Retail Store Shopper

Retail Store Shoppers are looking for products that combine practicality, style and sustainability for their homes or offices. The Eco Frameless Cork Board with Black EVA stands out on store shelves with its modern design and eco-friendly features.

Creative Hobbyist

This board appeals to artists, crafters, and DIY enthusiasts who value eco-friendly products and a creative workspace. Its frameless design provides flexibility to combine it with other boards for a gallery wall or inspiration corner. The push-pin-friendly surface is ideal for mood boards, sketches, or project plans, making it an essential tool for organising creative ideas.

Customer service and support

Our customer service and support team is always ready and available to provide prompt assistance, expert guidance, and effective solutions to address any customer enquiries or concerns.

Benefits

Eco-friendly design: The Eco Frameless Cork Board with Black EVA is crafted using PEFC-certified cork, promoting responsible forest management and contributing to environmental sustainability. This makes it an excellent choice for eco-conscious individuals and businesses.

Modern aesthetic: The frameless design with sleek black EVA enhances its visual appeal, seamlessly blending into various décor styles. It adds a touch of modern elegance to any home office, or retail space.

Versatility and functionality: With a double-sided cork surface, the board provides ample space for pinning messages, photos, schedules, and announcements. Its adaptability makes it suitable for diverse settings, from personal spaces to professional environments.

Durable and long-lasting: Made with high-quality cork and EVA materials, the board is designed for frequent use while maintaining its integrity. The robust yet lightweight construction ensures long-term reliability and ease of repositioning.

Easy installation: The adhesive tape fixing system ensures a hassle-free setup on any wall surface, making it convenient for users who value simplicity and efficiency.

Additional Information

The Eco Frameless Cork Board with Black EVA is a practical and stylish solution for organising and displaying information in homes, offices, and retail spaces. Its lightweight construction allows for effortless handling, while the high-quality cork material ensures durability and a professional look.

This cork board is designed for those who seek a blend of sustainability, style, and functionality, offering a versatile option that enhances productivity and organization.
