

**Bi-Office**

## Basic Chalk Display Easel

Where classic charm meets versatile function

---

### Description

The Bi-Office Chalkboard and Easel Display Set perfectly **combine for versatile presentations and creative displays**. Whether in a cosy café, a bustling shop, or a personalised workspace.

The Bi-Office Basic Chalkboard provides a lightweight and **easy-to-use surface, ideal for notes or messages**. With its **pine wood frame and versatile surface**, it's perfect for both **traditional chalk and liquid chalk markers**. Supporting this is the Bi-Office Wood Display Easel, crafted from **solid beechwood** with a fixed height of 1600 mm for optimal visibility. The stability chain ensures a secure hold, holding up to 6.8 kg, while the beechwood finish complements the chalkboard's rustic charm.

Together, the Bi-Office Chalkboard and Easel Display Set offer a complete solution for effective communication and stylish displays.

### Features

Perfect for cafes, boutiques, or home spaces.

The chalkboard can be used with traditional chalk or liquid chalk marker.

The beechwood display easel holding up to 6.8 kg securely at a height of 1.60 m.

The easel's collapsible construction allows for easy storage, ideal for small spaces or moving between display areas.

## Integration and compatibility

Compatible with all chalkboard stickers, white and coloured drywipe markers.

## Personas

### Restaurants and Bar Owners

Restaurant and Bar proprietors seek an appealing, friendly way to display daily menus or customised messages. The Basic Chalk Display Easel brings a warm, rustic touch that naturally captures customers' attention, highlighting key information every day.

### Event Planners

Event organisers and marketing experts require a portable, professional way to display information at fairs, conferences, or presentations. This chalkboard and easel set offers an easy-to-set-up solution that adapts effortlessly to diverse environments, enhancing brand presence with a natural, welcoming aesthetic.

### Artists and Creatives

Designers, illustrators, and other creative professionals appreciate a straightforward, attractive surface for sketching ideas, brainstorming, or sharing concepts. With compatibility for traditional chalk and liquid chalk markers, this display easel provides the versatility they need for their artistic expressions.

## Customer service and support

Our customer service and support team is always ready and available to provide prompt assistance, expert guidance, and effective solutions to address any customer inquiries or concerns.

## Customer feedback

*"Exactly what I needed for my café! It gives a warm, inviting look to our space, and updating the board each day is a breeze. Lightweight and simple to set up."*

## Benefits

**Portability and Flexibility:** The foldable, lightweight beechwood easel is easy to set up, transport, and store, making it ideal for shops, pop-ups, and temporary setups where quick mobility is key.

**Rustic and Welcoming Aesthetic:** With a pine wood frame and a natural beechwood easel, this set creates a warm, inviting look that suits any environment, from cosy cafes to modern studios.

**Versatile, Easy-Clean Surface:** The chalkboard works with both traditional chalk and liquid chalk markers, and it cleans up quickly with a felt eraser or damp cloth, allowing for instant updates.

**Stable and Secure:** Built-in stability chain and beechwood construction ensure durability, supporting up to 6.8 kg and providing confidence that the display will remain steady throughout the day.

## Availability and shipping

Product available;  
Lead Time: 3 weeks

## Additional information

Equipped for everyday use, this chalkboard works seamlessly with both traditional chalk and liquid chalk markers, making it versatile for a range of display needs. Its easy-clean surface allows you to refresh messages in seconds - simply wipe with a damp cloth or felt eraser.
