

Bi-Office

New Generation A9 Cork Display Easel

The streamlined organisation with a touch of elegance

Description

The Bi-Office New Generation A9 Corkboard and Ultra Lightweight Display Easel Set is a complete solution for organised and professional displays in business environments.

The New Generation A9 Corkboard features a **self-healing cork surface** that resists visible marks, making it perfect for frequent updates. Ideal for posting reminders, or memos, this board is a practical addition to any office or workspace. Paired with the corkboard, the Bi-Office Ultra Lightweight Display Easel offers a professional way to display essential messages or directions in busy workspaces. Built for **durability and quick updates**, it provides a clear, elegant solution for directing visitors, organising public spaces, or highlighting important notices.

Together, the New Generation A9 Corkboard and Ultra Lightweight Display Easel Set provide an all-in-one, **stylish solution for maintaining a well-organised**, efficient, and visually appealing environment in any business setting.

Features

Versatile enough for both office and home use.

The durable, self-healing cork surface resists visible marks from push pins.

Designed with a sleek black aluminium frame, it brings a modern, professional touch to any setting.

Metal legs fold down to a compact 38 x 6.5 cm size, making it convenient for storage and travel.

Integration and compatibility

Compatible with all pushpins.

Personas

Organised Office Environments

The New Generation A9 Cork Display Easel set is perfect for maintaining organised, professional office spaces by providing an easy-to-use, visually appealing way to post essential information, reminders, and directional signage. Its sleek design integrates seamlessly into any professional setting, enhancing both functionality and style.

Training and Team Collaboration

In training sessions and collaborative environments, this display easel is an ideal tool for presenting key points and resources. Its adaptable design allows for clear visibility of important notes, creating a structured atmosphere that supports teamwork and effective communication.

Event and Hospitality Spaces

In busy environments like conferences, corporate events, and hospitality venues, this easel excels at displaying schedules, directions, and announcements. Lightweight and easy to update, it provides the flexibility and efficiency needed to manage high-traffic areas, adapting effortlessly to the demands of dynamic spaces.

Customer service and support

Our customer service and support team is always ready and available to provide prompt assistance, expert guidance, and effective solutions to address any customer inquiries or concerns.

Customer feedback

"This display easel is a must-have for our office. The corkboard is durable, and the easel makes it easy to position for any meeting or event. It's lightweight, stylish, and incredibly practical."

Benefits

Effortless Versatility: The corkboard offers a self-healing surface that resists pin marks, providing a long-lasting, professional look. Easily pin and unpin content for quick updates that keep up with the demands of dynamic spaces.

Elegant, Lightweight Design: The ultra-lightweight display easel is easy to move and set up, making it adaptable to any workspace or event location. Its modern, streamlined style enhances any environment without overpowering it.

Durability and Stability: Built to last, the easel supports the corkboard securely, withstanding frequent use in high-traffic areas. It's ideal for both temporary and permanent displays, providing a stable, dependable base.

Organised Communication: With this set, businesses can display important information, schedules, or reminders in a clear, accessible way, enhancing communication and efficiency in any professional setting.
