

**Bi-Office**

## New Generation A9 Magnetic Display Easel

Where sleek design meets effortless communication

---

### Description

The Bi-Office New Generation A9 Black Magnetic Board and Ultra Lightweight Display Easel - Heavy Duty Set is a comprehensive solution for organised, high-impact communication in professional and dynamic spaces.

The New Generation A9 Black Magnetic Board is perfect for sharing messages at work, home, or in creative environments. Its **sleek black magnetic surface** enhances contrast for chalk-based wet markers, ensuring that notes, or creative expressions stand out vividly. Paired with this, the display easel is designed to meet the demands of busy workspaces, or public areas, where clear signage is essential. **Durable and simple to update**, the display easel allows for effortless communication of brief messages or directional cues.

Together, the New Generation A9 Black Magnetic Board and Ultra Lightweight Display Easel - Heavy Duty Set provide a refined, **adaptable display system that enhances communication**, organisation, and style in any professional setting.

### Features

Ideal for cafes, restaurants, boutiques, and personal areas.

The sleek black magnetic surface provides high contrast for chalk-based wet markers, and wipe clean easily with a damp cloth.

Compact and travel-friendly design.

The standard version holds up to 4.5kg, while the heavy-duty version supports up to 6.8kg.

## Integration and compatibility

Compatible with all magnets.

## Personas

### Corporate and Office Settings

In professional office spaces, clear and organised communication is a priority. This easel set is perfect for displaying schedules, reminders, and updates in a visually striking yet practical way, enhancing both functionality and aesthetics across the office.

### Creative and Design-Focused Workspaces

For environments where visual impact is essential, this magnetic display easel offers an ideal solution for brainstorming sessions, idea displays, and concept highlights. The sleek black magnetic board elevates the sophistication of any creative workspace.

### Events and Hospitality Spaces

In high-traffic areas such as events or hospitality venues, the magnetic display easel offers quick setup and a high-contrast surface, ideal for presenting event schedules, directions, or key messages with a polished, professional look.

## Customer service and support

Our customer service and support team is always ready and available to provide prompt assistance, expert guidance, and effective solutions to address any customer inquiries or concerns.

## Customer feedback

*“The black magnetic board is such a stylish touch! It’s perfect for displaying project notes, and the magnetic feature makes it easy to rearrange content. Plus, the easel is sturdy and modern looking.”*

## Benefits

**Sophisticated Magnetic Surface:** The A9 black magnetic board not only provides a smooth writing surface for chalk-based markers but also securely holds magnets, allowing for easy addition and removal of notes or displays.

**High Contrast and Visibility:** The black surface enhances visibility, making text stand out clearly - ideal for announcements, schedules, or brainstorming sessions that need to capture attention quickly.

**Durable Yet Lightweight Easel:** The ultra-lightweight heavy-duty easel is easy to set up and transport, providing a sturdy, dependable support system for the magnetic board. Its design makes it suitable for both high-traffic events and daily office use.

**Easy to Update and Clean:** With a quick wipe using a damp cloth, the black magnetic surface remains pristine, ready for fresh updates and messages whenever needed.
