PRODUCT IMAGE:**MARKETING COPY:**

Crafted from PEFC-certified Pine, this Floating Photo Frame isn't just a decor piece; it's a commitment to eco-friendliness and premium quality. PEFC certification ensures that the wood is sourced from sustainably managed forests, making each one a part of the larger canvas of environmental responsibility. The frame's design is a harmonious blend of nature and modernity. Pine, with its subtle grains and warm tones, adds a touch of organic essence to any space. The frame doesn't just hold your memories; it preserves the moment in an ethereal embrace. It can be placed on the wall or simply as a tabletop frame and maximized with the double-sided exhibition area, allowing portrait or landscape orientation. Display your photographs, travel souvenirs, concert programs, awards, certificates, artwork, flowers or plant material. Easy installation with wall mounting kit included
