Personas

Office Professionals

Professionals working in corporate environments, such as managers, executives, and team leaders use whiteboards to organize tasks, plan projects, conduct meetings, present ideas, and collaborate with their teams.

Educators

Teachers, professors, trainers, and educators at all levels of education use whiteboards to deliver lectures, explain concepts, illustrate diagrams, and engage students in interactive learning. These users value the smooth drywipe surface that allows for easy writing and erasing during fast-paced teaching sessions.

Entrepreneurs/Small Business Owners

Individuals who run their own businesses or startups use whiteboards to brainstorm ideas, plan strategies, track progress, and collaborate with their teams and partners.

Creative Thinkers

Designers, artists, writers, and other creative professionals use whiteboards as canvas to sketch ideas, mind map concepts, and visually explore their creativity. They value the smooth writing experience and easy erasing, allowing them to experiment and iterate with their thoughts freely.

Home Office Users

Individuals who work from home or have a home office setup use whiteboards for organizing personal tasks, planning schedules, setting goals, and jotting down reminders.

Customer service and support

Our customer service and support team is always ready and available to provide prompt assistance, expert guidance, and effective solutions to address any customer inquiries or concerns.

Customer feedback

*"Light weight and smart this was a perfect size for my kitchen wall and is convenient for jotting down shopping items and displaying pictures etc
You will need basic diy skills to drill and plug the wall but is worth the effort."*
