## Coloured Shelving System

Structure with Style: Smart Storage That Elevates Your Space

---

### Description

Maximize your space with the Coloured Organization Shelves, sleek and durable storage solutions designed to blend seamlessly into any home, office, or creative workspace. Made from high-quality steel with a welded construction and clean lines, these shelves combine strength and style, offering a modern yet subtle addition to any environment.

Available in 4 colours, coloured shelves bring a refreshing touch of color while maintaining a minimalist, functional design. With three size options - from 3 to 6 shelves, you can customize your storage to fit your needs, whether you're organizing books, office supplies, decorative pieces, or everyday essentials. Designed for versatility, these are the perfect alternative to bulky storage units, providing easy access to your items while keeping your space neat and visually appealing.

### Features

### Personas

#### Home Office Users

People working from home often need smart, compact storage that helps maintain order without compromising on design. Coloured Shelves offer a modern solution for organizing books, supplies, and décor while complementing home interiors with warm, trend-aligned colours.

#### Interior Designers and Architects

Professionals in architecture and interior design value clean lines and flexibility. The Coloured Organization Shelf combines minimalist design with industrial charm, making it a go-to choice for modern residential or commercial projects where form must meet function.

#### Creative Professionals and Studios

Artists, designers, and creators need open, accessible storage that keeps tools, books, and materials close at hand. With its sturdy build and open design, shelf supports creative workflows while enhancing the workspace's visual appeal.

#### Retail & Display Environments

Shop owners and merchandisers benefit from shelving that is both practical and visually pleasing. Coloured Shelves are ideal for displaying products, promotional materials, or curated objects in a clean, organized, and modern way.

#### Educational & Office Spaces

Schools, coworking spaces, and corporate environments need reliable, space-efficient storage. Coloured Shelves provides a durable, sleek solution for organizing files, resources, and personal items while maintaining a clutter-free atmosphere.

### Customer service and support

Our customer service and support team is always ready and available to provide prompt assistance, expert guidance, and effective solutions to address any customer inquiries or concerns.

### Customer feedback

*"I used the black Onix shelves in my home office and they completely changed the space - everything's organized, and the design is clean and modern."*

— Tiago A.

# Coloured Shelving System

## Structure with Style: Smart Storage That Elevates Your Space

### Benefits

#### Durable Steel Construction

Crafted from high-quality welded steel, each shelf supports up to 70kg of evenly distributed weight - ideal for books, equipment, or decorative items. Built to last, it's a reliable choice for daily use in demanding environments.

#### Modern, Clean Design

With sleek lines and a subtle industrial look, Coloured shelves blends effortlessly into a variety of interiors - from minimalist to eclectic. Its clean structure keeps spaces feeling open and organized.

#### Warm, Trend-Inspired Colors

Available in Beige, Green, Black, and Burgundy, the color finishes add warmth and character without overwhelming the space. These tones align with current design trends, enhancing both residential and professional environments.

#### Flexible Size Options

Choose from 3, 4, or 6-shelf models to fit your space and storage needs. Whether you're furnishing a small home office or equipping a larger workspace, there's a configuration for every context.

#### Smart, Accessible Organization

The open design ensures that everything is easy to reach and see - perfect for keeping essentials tidy and close at hand. It's a clean alternative to bulky cabinets or closed storage units.
